

Pastel & Vivid Chemical Consent Form

Fashion colors are a lot of fun, but can be unpredictable and require a lot of maintenance. Prior to beginning your service today, please check & sign that you have read and understood the information below ☺

DIRECT DYES REQUIRED TO ACHIEVE A FASHION COLOR ARE SEMI - PERMANENT & WILL FADE WITH TIME

IN MOST CASES, PRE-LIGHTENING (WITH BLEACH) IS NECESSARY. TO PROLONG THE LIFE OF YOUR COLOR IT MUST BE APPLIED TO VERY LIGHT/BLONDE HAIR. THIS IS AN ADDITIONAL SERVICE & COST ASIDE FROM THE FASHION COLOR. IF THE STYLIST FEELS THAT THE LIGHTENING PROCESS COULD DAMAGE THE INTEGRITY OF YOUR HAIR, THEY MAY ADVISE YOU AGAINST THE SERVICE OR SUGGEST A MULTI-STEP APPROACH WHICH COULD REQUIRE MULTIPLE VISITS.

IN CERTAIN CASES, A DEEP CONDITIONING OR BOND REPAIRING TREATMENT (OLAPLEX) MAY BE NECESSARY TO MAINTAIN MAXIMUM HAIR HEALTH - THIS WOULD FACTOR INTO THE FINAL COST

THERE ARE SEVERAL FACTORS THAT CAN EFFECT THE LIFE OF YOUR FASHION COLOR, I.E.:

- HEALTH OF YOUR HAIR
- HOW OFTEN YOU WASH YOUR HAIR
- WHAT HOME CARE PRODUCTS YOU USE
- TYPE OF WATER (HARD/SOFT WATER)
- CHLORINE/SALT WATER

(WE HIGHLY RECOMMEND USING A SWIM CAP OR REFRAINING FROM GETTING YOUR HAIR WET WHEN SWIMMING, AS THIS CAN QUICKLY STRIP YOUR COLOR)

****ask your stylist for an at home care routine to best maintain your color!***

FASHION COLORS CAN BLEED FROM HAIR WHEN WET WHICH COULD POTENTIALLY STAIN TOWELS, PILLOWCASES & CLOTHING

FASHION COLORS DON'T ALWAYS FADE INTO A SOFTER VERSION OF ITS ORIGINAL COLOR (i.e. violet fading into a blue or green)

IF YOU DECIDE YOU NO LONGER WANT THE FASHION COLOR OR WANT TO TRY A NEW SHADE, KEEP IN MIND IT COULD BE POTENTIALLY DIFFICULT TO REMOVE OR COVER. THERE MAY BE A NEED FOR MULTIPLE APPOINTMENTS TO REMOVE THE COLOR IF GOING BACK TO NATURAL COLOR OR TRANSITIONING TO A DIFFERENT FASHION COLOR.
